

Intro and Contact Info

Get Healthy Philly (GHP) is seeking community partners to help understand, explore, and address the intersection of walkability and other livability features in Philadelphia's communities.

Eligible entities include community organizations, non-profits, Friends' groups, advisory councils, and other groups with the ability to contract with the City of Philadelphia directly or through a fiscal sponsor.

Projects must be located in Philadelphia.

Funding Amount: Up to \$25,000

Project Dates: January 1, 2021- June 30, 2021. Potential for longer term partnership (up to 4 years) depending on funding and need.

A **livable community** provides adequate resources to support health, safety, and quality of life for all- regardless of their race, wealth, age, physical ability, and other factors. This includes various health-promoting and supportive infrastructure, community assets, and services at a price that people can afford such as housing, transportation, healthy and culturally appropriate food, green spaces.

In a **walkable community**, key destinations and assets are nearby, there are good connections between destinations, and the conditions of the environment not only allow but also encourage people to choose to walk (or roll) for transportation.

Key Dates:

October 2020 – application opens

November 20th (11:59pm) – application closes

January 2020 – select and notify final awardee(s) and contract and scope development

Wednesday, July 1, 2020- contract start date

To apply, please submit the following no later than **11:59pm Friday, November 20, 2020**:

- This online application survey
- Written or video project proposal.
 - *Written submissions should be included in the survey responses and limited to 250 words or less.*
 - *Video submissions should be limited to 5 minutes and emailed to kelli.mcintyre@phila.gov.*
- Project milestone chart (template included in the survey)
- Project budget (template included in the survey)

Please email any questions on this opportunity to kelli.mcintyre@phila.gov.

Application

Please describe your proposed project for working with the Philadelphia Department of Public Health, Division of Chronic Disease and Injury Prevention (Get Healthy Philly) to understand, explore, and address the intersection of walkability and other livability features in Philadelphia's communities.

We ask ALL applicants to complete required questions in this section of the form (questions 11 through 14): the project title, objective(s), and submit a project milestone chart and budget.

****Alternative submission**:**

Applicants who prefer to provide a video submission as an alternative to a written project description can provide a video project proposal (no longer than 5 minutes) in response to questions 15-17. Please send video submissions to: kelli.mcintyre@phila.gov.

Those choosing an alternative submission do not need to complete nonrequired questions.

11. (REQUIRED) Project Title:

12. (REQUIRED) Project Objectives (Please describe 2-3 project objectives in no more than **100 words**.):

13. (REQUIRED) Please upload a proposed project budget below:

[LCEP application budget form](#)

14. (REQUIRED) Please upload a proposed project milestone chart below:

[LCEP application milestone chart](#)

15. Please provide a written project proposal in no more than **250 words**.

For example, you could tell us who you plan to engage as a part of this project? What specific environmental, social, or behavioral challenge(s) does the project address? What areas of intersection with walkable communities will you explore?

16. Please describe what will be different as a result of your project? **(100 words or less)**

For example, you could tell us what environmental, systemic, or social impact will this project have? Who will lead and who will benefit from this project? How many people will benefit?

17. Please describe what makes your project unique. **(100 words or less)**

For example, will this project build on existing efforts? Will it catalyze new collaboration? Will it shift the status quo in significant ways?

18. Do you have any questions or comments? Please share them here.
