**We Walk PHL** is a joint effort of the Philadelphia Department of Public Health, Fairmount Park Conservancy, and Philadelphia Parks & Recreation to establish walking groups throughout the city.

Walking groups are **FREE**, open to people of all ages and abilities, and offered several times each week! Walks last for about an hour, but can be adapted to meet your needs.

We Walk PHL seeks to promote good health, increase use of Philadelphia's park and recreation system, and create opportunities for people to know their neighbors.
